Experience

UI/UX WEBSITE DEVELOPER | MY AUTHOR'S PERSPECTIVE | CEBU CITY, PHIIPPINES | 2023 - 2023

- I design the website before turning it over to the front - end developer. I design it based on what the client wants or needs within his / her website.

FRONT - END WEBSITE DEVELOPER | MY AUTHOR'S PERSPECTIVE | CEBU CITY, PHILIPPINES | 2023 - 2023

- I create the output of the website based on what the client wants.

BACK - END WEBSITE DEVELOPER | MY AUTHOR'S PERSPECTIVE | CEBU CITY, PHILIPPINES | 2023 - 2023

- I create the database of the website to store the data in order for the clients to have access anytime.

PROJECT MANAGER | MY AUTHOR'S PERSPECTIVE | CEBU CITY, PHILIPPINES | 2023 - 2023

- I review the codes and publish the website as long as everything is complete.

Education

ELEMENTARY SCHOOL:

- Cebu Bradford School | Sambag II, Urgello, Cebu City, Philippines

HIGH SCHOOL:

- University of San Carlos - South Campus | J. Alcantara Street, Cebu City, Philippines

COLLEGE:

- University of San Carlos - Talamban Campus | Barangay Talamban, Cebu City, Philippines

Skills

- I can multi - task.

- I can finish my task on or before the set due date.

- I can work under pressure.

- I can communicate with the client to make the work more presentable and to clarify the details with client.

- I know how to reach out about the things that I am not familiar of.
